

# You could WIN!

**Tell us What you think of R&D magazine and why you want to win these tools!**

You could win a prize package consisting of a hammer and one of these tools simply by telling us what you think of RENO & DECOR magazine, and why you deserve to win these tools.

Each issue of RENO & DECOR is filled with the latest in tips and trends for the design and renovation market. Did R&D help you with your interior design or renovation project? How would these tools help with your next project?

To enter send your letter via email to R&D Tool Contest at: [leanne@homesmag.com](mailto:leanne@homesmag.com) or by mail at:

Please include your: full name, full mailing address, telephone, and email address.

#### **M18 Cordless High Performance Hammer Drill \$440**

The Milwaukee M18 High Performance Hammer Drill delivers revolutionary power, run-time and ergonomics. With the High Capacity LITHIUM-ION battery, the tool drills up to 65 per cent more holes per charge. And the Milwaukee 4-Pole Frameless Motor generates a best-in-class 650 in/lbs. of torque. The drill also features an LED to illuminate the work surface and a battery fuel gauge.

#### **Milwaukee M12 Cordless Inspection Camera \$330**

With advanced digital imaging technology and a 2.5" high-resolution colour LCD display, the Milwaukee Digital Inspection Camera provides a crystal clear picture of tough to reach places such as inside pipes, drains and equipment and behind walls. The camera is attached to a 3 foot flexible and waterproof cable allowing you to inspect pipes without draining them.

#### **M18 Cordless 1/4" Hex High Performance Impact Driver \$440**

The Milwaukee M18 1/4" Hex High Performance Impact Driver packs power and performance into a compact, lightweight package. Delivering 2,200 RPM and a category leading 1400 in/lbs of torque the impact driver will power through tough jobs. The 1/4" Hex quick-change chuck allows for easy bit changes while a variable speed trigger provides increased speed control. The driver also features an LED to illuminate the work surface and a battery fuel gauge.

#### **The Stiletto Mini-14 all titanium hammer \$250**

The Stiletto Mini-14 all titanium hammer hits nails with the same force as a 24oz steel hammer. At only 14oz the Stiletto hammer puts less stress on your joints. Titanium delivers 97% of swing energy to the nail compared to 70% with steel hammers so you get more done with less effort.

**Contest Rules:** One entry per person, per issue. Contest closes at end of month. All winners are drawn 30 days after the magazine is issued. Open to CDN residents only, aged 18+. Prizes may not be exactly as shown. We reserve the right to change pricing based on availability. No purchase necessary. The above requested information must be supplied in order to be eligible to win. One prize package awarded per issue, to one lucky winner. Winner may be asked to pick up prize from our location. Shipping costs if required, are at winners expense.
