

# RONA Contest Winner

Darrell Verardo, Burlington, Ont., receives a **\$500 gift certificate** for his next renovation project

We recently put the finishing touches on our basement renovation. With three growing children, who most definitely deserve their own space, we finished our basement to incorporate a playroom, office and TV lounge. With the right products, help and advice from our friends at the local RONA store, we accomplished what we set out to do: to create a safe and inviting recreational area for our children, and a usable space for mom and dad. The whole project took just over seven

weeks to finish. Seeing the look on our kids' faces when we revealed the basement, along with their toys that had been packed away for almost a year, was priceless! This project wasn't complete without the help of family. Hanging up the drywall would have been impossible if it were not for the help of my wonderful wife. My father-in-law, the master of drywall and plastering, worked magic finishing the walls and fixing some challenging spots. The project cost \$3,600. ■
